and working in the same community,

should refuse to co-operate, is one of the riddles of civilization. The only benefits worth having are the benefits we can share with our NEIGHBORS.

INDIVIDUAL benefits count for little. It is the CO-OPERATIVE offort that brings EVERLASTING good. Good roads, factories, better schools, good markets can only be secured when ALL pull TOGETHER. Every man, woman and child in THIS community should give ONB hour each day to community WORK. But, each day to community WORK.
